

GDC, Bishnah celebrated World Water Day

GDC Bishnah observed World Water Conservation Day by conducting a series of events, including an interactive session, a plantation drive on the college campus, and an awareness lecture on avoiding polythene use, saving water, and conserving water bodies under the theme “Glacier Preservation.” Shri Kewal Krishna Badhera, a social activist served as the resource person. While interacting with students he advised them to use paper bag or cloth bags to carry things. At the end plantation drive was also done in the college in which students planted those saplings which were gifted to them by Shri K,K, Badhera ji.

In addition, an awareness program on water conservation was conducted at Government Higher Secondary School for Girls, Bishnah. During the program, students enthusiastically expressed their opinions on conserving portable water. The principal of the higher secondary school also addressed the students, motivating them to save water. The entire event was organized by Dr. Koushal Kiran, Nodal Officer, in collaboration with the Eco Club, the Department of Environmental Science (EVS), and the National Service Scheme (NSS) Wing of the college, under the guidance of Dr. Shallu Samyal, the college principal. Dr. Geeta Lakhotra, NSS Program Officer, coordinated the program.
